

I oppose loosening the rules designed to promote and protect diversity of media ownership. These rules were adopted to ensure that the public would receive a diverse range of viewpoints from the media, and not simply the opinions of a handful of media conglomerates. The

newspaper/broadcast

cross-ownership cap is a crucial element of our democratic media, and it should not be weakened.

I want to hear diverse opinions without having what I hear filtered by what corporations think I should know or think I'm interested in. I want to hear more than corporate opinion.
